HOMELESS SOLUTIONS
DREAM BUILDERS'
Bash Goes Dark

MARCH 2021

WE INVITE YOU TO JOIN OUR FIRST NON-EVENT FUNDRAISER

THE DREAM BUILDERS' BASH: Our 21st Annual Dream Builders' Bash is Homeless Solutions' signature fundraising event. **While our event may be imaginary, the need is still very real.** We hope you will support our first non-event for the homeless families and individuals that need us.

HOMELESS SOLUTIONS' MISSION: Homeless Solutions' philosophy is "A hand up, not a handout", and for over 35 years we have been offering shelter, services, and supportive housing to the homeless and working poor in Morris County, New Jersey.

WHAT WE DO: HSI is the largest provider of shelter and housing services to the homeless and working poor in this region. Last year over 300 people, a third of whom were children, found safety and warmth in our shelter as they worked with our staff to rebuild their lives.

OUR COMMUNITY: We are doing our best to keep our programs operating to protect our most vulnerable neighbors during the pandemic and to reduce the impact on hospitals and first-responders.

IN RESPONSE TO COVID-19: Our staff has worked tirelessly to ensure all the proper protocols were in place to provide maximize safety for our shelter guests, volunteers, and staff during this health crisis. The curtain is closed this year for our largest fundraiser as we continue supporting our heroic frontline staff & hardworking guests.
